NOTE : Compatible Browsers

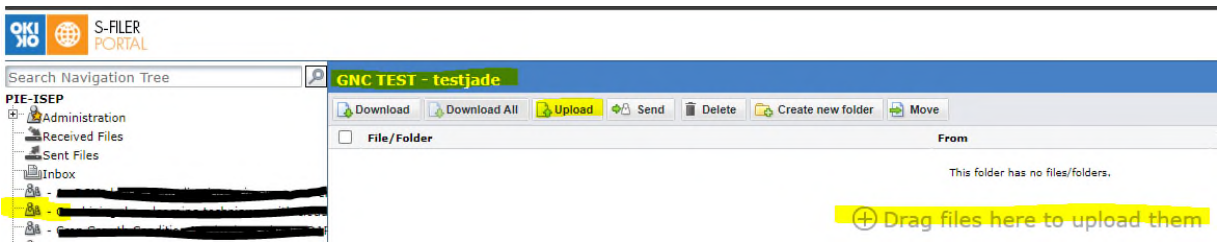

Here are the browsers that works with PIE-ISEP

Browser	Supported	Comment
Chrome	Yes	Version 40 or newer required. Limitation: allow to download 1 file at a time (does not allow to download several files at the same time).
Firefox	Yes	Version 44 or newer required. Limitation: allow to download 1 file at a time (does not allow to download several files at the same time).
Internet Explorer 11	Yes*	*Requires installation of 32 bit Java Runtime Environment 5.0 or higher.
Edge	No	File upload works, but file download is not supported.
Safari	No	
Opera	No	

4. On the left you will see the name of the Notice of Participation - Your proposal title, click on the item that interests you

5. Then, on the right side, you must use the "Upload" button to begin the submission process for your documents (or "drag files in the center to upload them")

6. If you choose the Upload button (instead of the "Drag files" option), then you will have to click on the "Choose Files" button, select your files and click on the green "Upload" button
